

## Areas of concern for you that you must entrust to God

This outer circle represents things that are beyond our ability and thus they are not my responsibility. We need to identify them and entrust them to God.

## Your Responsibility to Faithfully Obey

The inner circle represents the things that God has called me to do that I cannot pass on to anyone else. The only proper response is to seek to understand and to faithfully obey

Avoid the tendencies to either squeeze the inner circle smaller by expecting God to do everything for you or of stretching it bigger by worrying about things you cannot control
