MEMORIAL
DAY PRAYER
FOCUS

A family of multiplying
churches in military
communities worldwide.

Our prayer focus this morning will be Memorial Day and our partnership with the Praetorian Project.

Memorial Day is a U.S. holiday in which citizens mourn the loss of military members who have died in service to our country. This holiday is celebrated on the last Monday of May each year and we will pause in our church service today to remember and pray.

The Praetorian Project is a family of multiplying churches in military communities worldwide. Our church is thankful to partner with them to carry forth their important work.

We encourage you to consider a one-time gift in memory of someone you have lost in service to our country. You can give in the typical ways you give to the church, Memo: Praetorian Project, and we will forward it to them. Or to give directly to them, you can visit praetorianproject.org/give or scan the QR code below with your phone to go to the giving page on their website.
