WHO WE ARE // LEADERSHIP

Carey Julien

Carey and his wife Erin married in January 2020 and are the parents of a son, Micah, and daughter, Keziah. Before coming to Norfolk, Carey served in various ministry positions at McLean Bible Church, Pillar Church of Washington, D.C., and Pillar Church of Dumfries, as well as several churches in West Palm Beach, FL, his hometown. He holds a B.A. in Marketing from Liberty University and an M.A. in Biblical Counseling from Luther Rice College & Seminary.

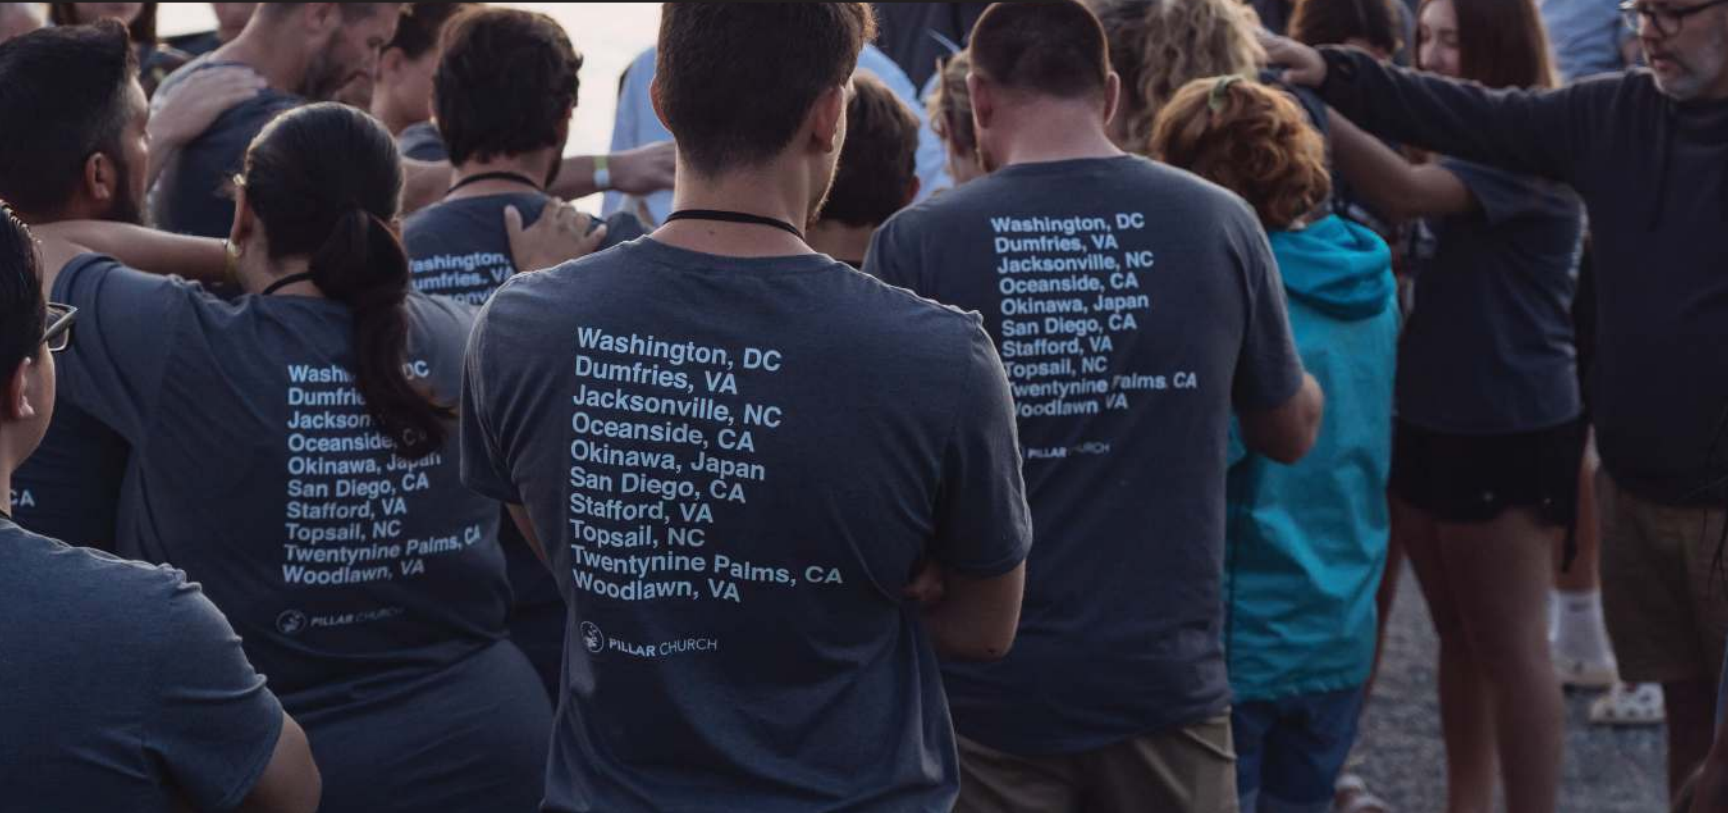

Rick Britner

In 2019, Ricky started a nonprofit ministry called Ricky Speaks Life, where his heart for missions shines ever so brightly. Through his ministry, Ricky shares his life's story by telling the works of the Lord in the midst of the challenges he has faced given his physical condition, Osteogenesis Imperfecta (OI). Ricky also has a heart for counseling, and seeing lives restored and hearts renewed for God's glory.

FUTURE LEADERSHIP

We are praying for another pastoral partner to join in ministry efforts for Norfolk, VA. Please help us pray for this man.

WHO WE ARE // **THE PRAETORIAN PROJECT**

The Praetorian Project is a family of multiplying churches in military communities worldwide. Because service members are frequently moved from one part of the world to the next, there is both a unique need AND a unique opportunity.

UNIQUE NEED:

A church home for highly transient service members and their families where they can belong, serve, and be intentionally discipled.

UNIQUE OPPORTUNITY:

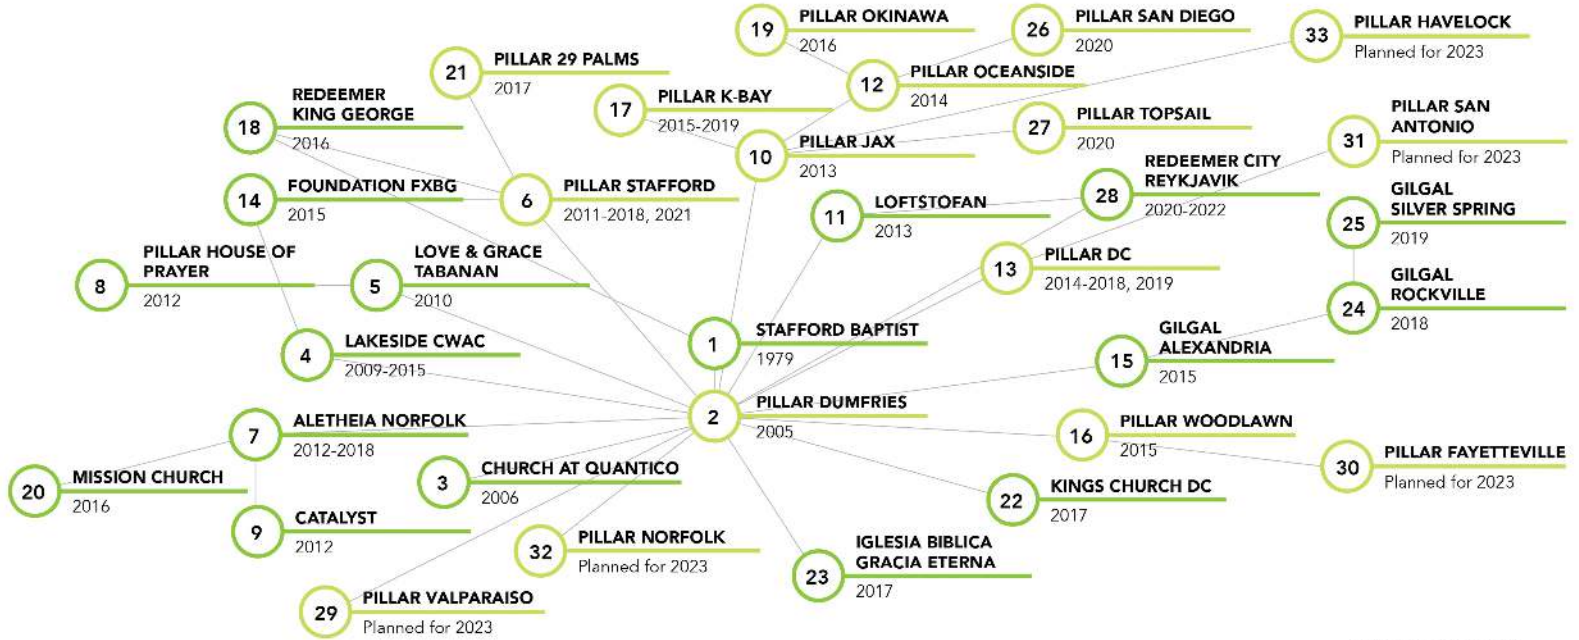

Global gospel impact as service members and their families are intentionally equipped to make disciples and then sent throughout the world for military service.

Learn more about the work and ministry of the Praetorian Project online at praetorianproject.org.

Pillar Church of Dumfries was founded in 2005 as a church plant out of Stafford Baptist Church. In line with its vision to be a multiplying church focused on the military, Pillar Dumfries has started over 30 churches in areas with high military populations worldwide, and many of these churches have then planted more churches. This story is depicted below as a church family tree.

WHY NORFOLK?

- 1. Norfolk is a natural church planting hub.** We envision planting multiple churches in military communities in and around Hampton Roads, starting with Norfolk as the hub. Virginia has the second highest concentration of military in the country, with over 127,000 active duty service members. We want to train and equip these leaders to plant multiplying churches focused on reaching the military near Langley Air Force Base, Joint Expeditionary Base Little Creek and beyond!
- 2. Norfolk is military-centric.** Norfolk is a naval town with a rich military history. It is home to the world's largest naval base and the North American Headquarters for NATO (North Atlantic Treaty Organization), making it a key area to add military-focused churches.
- 3. Port city.** The city of Norfolk is a 400-year-old port city that is rich with history. Regionally, it attracts nearly 13 million visitors annually, making it a pivotal area to add another gospel-centered church.
- 4. Great Commission.** The substance of the Great Commission is to "go, baptize, teach, and make disciples," which drives the core activities of the local church. We want to continue living out the Great Commission in Norfolk, VA.
