REACHING THE MILITARY IN MILITARY CITY, USA

# WHO WE ARE // LEADERSHIP

## **Jared Huntley**

Jared and his wife Jen have been married since 2014. Before meeting Jen, Jared served in the U.S. Army for six years. Jared, a native Texan who grew up in Houston, entered into full time ministry in 2013. Since then, he has planted two churches: one in Oshawa, Ontario, Canada (2015) and one in Washington, D.C. (2019). Jared currently serves as the pastor of Pillar Church of Washington, D.C. where he has been since July 2019. During that time, he has been focused on reaching not only Capitol Hill but also the military community in D.C. Jared holds a B.A. in Bible from Howard Payne University in Brownwood, TX and an M.A. in North American Church Planting from Southeastern Baptist Theological Seminary in Wake Forest, NC. Jared and Jen adopted three wonderful children in 2021: Joshua, Joanna, and Caleb.

## **Andrew McDaniel**

Andrew was born and raised in Chattanooga, Tennessee. While pursuing his undergraduate degree at the University of Tennessee at Chattanooga, the Lord saved Andrew out of a life of cultural Christianity. Soon after, Andrew responded to God's call to preach and teach the Gospel with a specific burden for those living a nominal faith. While finishing his B.A. in Religion and Philosophy at UTC, Andrew met his wife, Laura. Andrew spent two years after college interning at his local church with college students. Once he and Laura were married in the Spring of 2020, they moved to Washington, D.C. where Andrew has been working on staff as a church planting resident with Pillar Church of Washington D.C. Being at a Praetorian Project church, Andrew has had the opportunity to minister to many young military members and has a passion to continue doing so. He is currently pursuing an MDiv in Preaching and Pastoral Ministry from Southeastern Baptist Theological Seminary.

## WHO WE ARE // **THE PRAETORIAN PROJECT**

The Praetorian Project is a family of churches planting churches in military communities around the world. Because service members are frequently moved from one part of the world to the next, there is both a unique need AND a unique opportunity.

### **UNIQUE NEED:**

A church home for highly transient service members and their families where they can belong, serve, and be intentionally discipled.

### **UNIQUE OPPORTUNITY:**

Global gospel impact as service members and their families are intentionally equipped to make disciples and then sent throughout the world for military service.

# CITY PROFILE // **SAN ANTONIO**

**1.5 MILLION**

POPULATION OF SAN ANTONIO

**2 MILLION**

POPULATION OF BEXAR COUNTY

**52,948** active duty military and dependants

Home to over **100,000** veterans

**85%** of the population is unchurched

## WHY SAN ANTONIO?

- 1. San Antonio is growing.** With the population expected to swell by 20% to 1.8 Million by the year 2030, San Antonio is one of the fastest growing cities in one of the fastest growing states in the U.S. Many of these new residents are moving from highly unchurched parts of the country such as California, Oregon, and New York. This growth is creating a tremendous need for new churches to be planted to keep up with the expanding population.
- 2. San Antonio is Military City, USA.** San Antonio is home to 3 military installations which together comprise Joint Base San Antonio. Over 35,000 active duty service members serve across these three installations. Additionally, the San Antonio area is home to around 100,000 veterans. One local Baptist denominational leader said, "Churches here really struggle to reach the military". Since it already takes the average service member 6 months to find a church home in a new location, the need here is great!

### 3. San Antonio is a natural church planting hub.

We envision planting multiple churches in military communities in and around Texas, starting with San Antonio as the hub. Texas has the third highest military population in the country with 124,000 active duty service members. We want to train and equip leaders to plant multiplying churches focused on reaching the military near Fort Hood (Killeen) [89,000 active duty and dependents], Fort Bliss (El Paso) [78,500 active duty and dependents], Dyess AFB (Abilene) [13,130 active duty and dependents], and Naval Air Station Corpus Christi [43,000 active duty and dependents]. And that is just the beginning!

“Focused, evangelistic, faithful and humble. Both as a couple and as a church planting team the Huntleys are a power team. I have worked with hundreds of church planting couples over 20+ years and can think of few couples I have as much confidence in. Supporting Jared and Jennifer will be a great experience for you and your church.

**Clint Clifton**

“Jared is a faithful church planting pastor with extensive experience making disciples and planting church in various contexts, while Andrew is a godly man who faithfully shares the gospel and discipless others. Together they can both be entrusted with the privilege to lead others to go make disciples and plant new churches.

**Thomas Hudson**

“Jared Huntley is a faithful leader that takes the commands of Christ seriously. As a U.S. Army veteran, native Texan, and seasoned church planter Jared is uniquely prepared to start churches in the San Antonio region that will reach the military community for years to come.

**Matt Hess**

“We are always looking to send out planters in teams. This team is a powerhouse with Jared and Jen Huntley alongside Andrew and Laura McDaniel. They have the church planting experience of the Huntleys with the fresh perspective of the McDaniels.
